Ohh wooaah, Ohhwooah, Ohh wooaah, Ohh wooaah And I'm like

C
You know you love me, I know you care

Am
You shout whenever, And I'll be there

F
You want my love, You want my heart

G
And we will never ever ever be apart

C
Are we an item? Girl quit playing

Am
We're just friends, What are you saying?

F
Said there's another, Look right in my eyes

G
My first love broke my heart for the first time,

And I was like

C
Baby, baby, baby nooo

Am
I'm like baby, baby, baby noo

F

G
I thought you'd always be mine mine

C

G
I thought you'd always be mine, oh oh

C
For you, I would have done whatever

Am
And I just can't believe we're here together

F
And I gotta play it cool, 'cause I'm losin' you

G
I'll buy you anything, I'll buy you any ring

C
'Cause I'm in pieces, baby fix me

Am
And you shake me 'til you wake me from this bad dream

F
I'm going down, down, dooown

G
And I just can't believe my first love won't be around,

C
Baby, baby, baby nooo

Call Me Maybe

Song by: Tavish Crowe Lyrics by: Carly Rae Jepsen Artists Carly Rae Jepsen

C I threw a wish in the well,
G
 Don't ask me, I'll never tell **Em**
D
 I looked to you as it fell,
C
 and now you're in my way

 pennies and dimes for a kiss
D
 I wasn't looking for this,
C
 but now you're in my way

C Your stare was holdin',
G
D Ripped jeans, skin was showin'
Em C Hot night, wind was blowin'
D
 Where you think you're going, baby?

Hallelujah

Song by: Leonard Cohen Lyrics by: Leonard Cohen Artists: Jeff Buckley

C Am C Am

C Am
I heard there was a secret chord
C Am
That David played and it pleased the Lord
F G C G
But you don't really care for music, do you?
C F G
Well it goes like this the fourth, the fifth
Am F
The minor fall and the major lift
G E Am
The baffled king composing hallelujah

F Am
Hallelujah, hallelujah,
F C G C Am C Am
hallelujah, hallelu-u-u-u-jah

C Am
Well your faith was strong but you needed proof
C Am
You saw her bathing on the roof
F G C G
Her beauty and the moonlight overthrew you
C F G
She tied you to her kitchen chair
Am F
She broke your throne and she cut your hair
G E Am
And from your lips she drew the hallelujah

F Am
Hallelujah, hallelujah,
F C G C Am C Am
hallelujah, hallelu-u-u-u-jah

C Am
Baby I've been here before
C Am
I've seen this room and I've walked this floor
F G C G
I used to live alone before I knew you
C F G
I've seen your flag on the marble arch
Am F
But love is not a victory march
G E Am
It's a cold and it's a broken hallelujah

F Am
Hallelujah, hallelujah,
F C G C Am C Am
hallelujah, hallelu-u-u-u-jah

C Am
Well, there was a time when you let me know

C Am
What's really going on below
F G C G
But now you never show that to me do you?
C F G
But remember when I moved in you
Am F
And the holy dove was moving too
G E Am
And every breath we drew was hallelujah

F Am
Hallelujah, hallelujah,
F C G C Am C Am
hallelujah, hallelu-u-u-u-jah

C Am
Well, maybe there's a God above
C Am
But all I've ever learned from love
F G C G
Was how to shoot somebody who outdrew you
C F G
It's not a cry that you hear at night
Am F
It's not somebody who's seen the light
G E Am
It's a cold and it's a broken hallelujah

Bm **G6**
 I took a walk around the world

I don't like walking round this old and empty house

so hold my hand i'll walk with you my dear

The stairs creak as I sleep, it's keeping me awake

It's the house telling you to close your eyes

and some days I can't even trust myself

it's killing me to see you this way

Cause though the truth may vary this

ship will carry our

tell her that I miss our little talks

soon it will be over and buried with our past

we used to play outside when we were young and full of life and full of love

some days I think that I'm wrong when I am right

your mind is playing tricks on you my dear

Though the truth may vary this

D
It's a beautiful night,
Em
we're looking for something dumb to do,
G **D**
Hey baby, I think I want to marry you.
D
Is it that look in your eyes,
Em
Or is it this dancing juice?
G **D**
Who cares baby, I think I wanna marry you.

D
Well, I know this little chapel
Em
on the boulevard we can go,
G
No one will know,
D
Come on girl.

D
Who cares if we're trashed
got a pocket full of cash
Em
we can blow,
G
Shots of patron,
D
And it's on girl.

D
Don't say no, no, no, no, no
Em
Just say yeah, yeah, yeah, yeah, yeah
G
And we'll go, go, go, go, go.

If you're ready, like I'm ready.

There's a fire starting in my heart,

and it's bringing me out the dark

Am **Em**
Finally, I can see you crystal clear.

G
Go ahead and sell me out

See how I leave, with every piece of you

Don't underestimate the things

The scars of your love, remind me of us.

F **G** **Em**
They keep me thinking that we almost had it all

F **G** **Em**
The scars of your love, they leave me breathless

E
I can't help feeling...

Am
We could have had it all

G
(I wish you, never had met me)

Rolling in the Deep

(Tears are gonna fall, rolling in the deep)

Your had my heart

But I've heard one of you

and I'm gonna make your head burn.

Your had my heart inside of your hand

But you played it

To the beat

Throw your soul through ever open door (Whoa)

Count your blessings to find what look for (Whoa-uh)

Turn my sorrow into treasured gold (Whoa)

And pay me back in kind- You reap just what you sow.

Umbrella

Song by: Jay-Z ásamt fleirum. Lyrics by: Jay-Z ásamt fleirum. Artists:Rihanna

You had my heart, and we'll never be world apart
 Maybe in magazines, but you'll still be my star
 Baby cause in the Dark, You can see shiny Cars
 And that's when you need me there
 With you I'll always share
 Because

When the sun shines
 We'll shine together
 Told you I'll be here forever
 That I'll always be your friend
 Took an oath Imma stick it out 'till the end
 Now that it's raining more than ever
 Know that we still have each other
 You can stand under my Umbrella
 You can stand under my Umbrella
 (Ella ella eheh eh)
 Under my umbrella
 (Ella ella eheh eh)
 Under my umbrella
 (Ella ella eheh eh)
 Under my umbrella
 (Ella ella eheh eh eh eh eh)

These fancy things, will never comein between
 You're part of my entity, Here for Infinity
 When the war has took it's part
 When the world has dealt it's cards
 If the hand is hard, Together we'll mend your heart

Because
 When the sun shines
 We'll shine together
 Told you I'll be here forever
 That I'll always be your friend
 Took an oath Imma stick it out 'till the end
 Now that it's raining more than ever
 Know that we still have each other
 You can stand under my Umbrella
 You can stand under my Umbrella
 (Ella ella eheh eh)
 Under my umbrella
 (Ella ella eheh eh)
 Under my umbrella
 (Ella ella eheh eh)
 Under my umbrella
 (Ella ella eheh eh eh eh eh)

You can run into my Arms
 It's okay don't be alarmed
 (Come into Me)
 (There's no distance in between our love)
 So Gonna let the rainpour
 I'll be all you need and more
 Because

When the sun shines
 We'll shine together
 Told you I'll be here forever
 That I'll always be your friend

Took an oath Imma stick it out 'till the end ^F
