All the right moves

Höfundur lags: Ryan Tedder Höfundur texta: Ryan Tedder Flytjandi: One Republic

Am G
All the right friends in all the wrong places
C F
So yeah, we're going down
Am G
They got all the right moves in all the right faces
C F
So yeah, we're going down

Am G
Just paint the picture of a perfect place
C F
They got it better than what anyone's told you

Am G
They'll be the King of Hearts, and you're the Queen of Spades
C F
Then we'll fight for you like we were your soldiers

Am
I know we've got it good
G
But they got it made
C F
And the grass is getting greener each day
Am
I know things are looking up
G
But soon they'll take us down,
C F
before anybody's knowing our name.

Am G
All the right friends in all the wrong places
C F
So yeah, we're going down
Am G
We've got all the right moves and all the right faces
C F
So yeah, we're going down

Am G
They said, everybody knows, everybody knows where we're going
F
Yeah, we're going down

Am G
They said, everybody knows, everybody knows where we're going
F
Yeah, we're going down

Am
Do you think I'm special?
G
Do you think I'm nice?
C F
Am I bright enough to shine in your spaces?
Am
Between the noise you hear
G
And the sound you like
C F
Are we just sinking in an ocean of faces?

Am G
It's possible that rain can fall,
C F
Only when it's over our heads
Am G
The sun is shining everyday, but it's far away
C F
Over the world is death.

They got,
They got,

Am G
All the right friends in all the wrong places
C F
So yeah, we're going down
Am G
They got all the right moves and all the right faces
C F
So yeah, we're going down

Am G
They said, everybody knows, everybody knows where we're going
F
Yeah, we're going down

Am G
They said, everybody knows, everybody knows where we're going

Drífa

Höfundur lags: Ingólfur Þórarinnsson Höfundur texta: Ingólfur Þórarinnsson Flytjandi: Ingó og Veðurguðirnir

Capo á 1.bandi

Hún heitir Drífa, og hún er með mér í þýsku,
 ég held hún hafi ekki hugmynd hver ég er.
 Hún klæðist engu, nema því sem er í tisku
 og hún lyktar alveg eins og vera ber.

Hey þú, þú þarft að vita...

Að það eina sem hún elskar
 eru partýstand og pelsar
 og fötin sem hún fær í Vero Moda.

Og það eina sem hún fílar
 eru blogg síður og bílar
 og menn sem eiga kompaní og kvóta.

En það er ekki ég,
 en það er ekki ég,
 en það er ekki ég,
 en það er ekki ég.

Því ég á Volvo sem er kominn vel á aldur,
 en hann virkar alveg sama hvert ég fer.
 En sá sem Drífa er að deita heitir Baldur,
 og hann fer illa í taugarnar á mér.

Hey Drífa þú þarft að vita,

ég verð að fá smá bita!

En það eina sem hún elskar
 eru partýstand og pelsar
 og fötin sem hún fær í Vero Moda.

Og það eina sem hún fílar

Well you done done me and you bet I felt it
I tried to be chill but you're so hot that I melted
I fell right through the cracks

Now I'm trying to get back

Before the cool done run out I'll be giving it my bestes

And nothing's going to stop me but divine intervention

I reckon it's again my turn to win some or learn some

But I won't hesitate no more,
no more It cannot wait I'm yours

mmmmooooo mmmhey hey hey hey eye

Well open up your mind and see like me

Open up your plans and damn you're free

Look into your heart and you'll find love love love love

Listen to the music of the moment people dance and sing

We're just one big family

And It's our God-forsaken right to be loved love loved

So I won't hesitate no more,
no more It cannot wait I'm sure

There's no need to complicate

Our time is short

This is our fate, I'm yours

Dubudbudu Dubudbudu Dubud but do you want to comon
Scooch on over closer dear And i will nibble your ear

sudubaba ooohh ooohh ooohh
ooohh ooohh aahha mmmhhh

I've been spending way too long checking my tongue in th

And bending over backwards just to try to see it clearer

But my breath fogged up the glass

And so I drew a new face and laughed

I guess what I'm be saying is there ain't no better reason

To rid yourself of vanity and just go with the seasons

It's what we aim to do Our name is our virtue

So I won't hesitate no more,
no more It cannot wait I'm sure

There's no need to complicate

Our time is short

This is our fate, I'm yours

Well open up your mind and see like me

Open up your plans and damn you're free

Look into your heart and you'll find that the sky is yours

Please don't, please don't, please don't

There's no need to complicate

Cause our time is short

This oh this this is out fate, I'm yours!

In a language learned when no-one was listening
I try my best to tell you how I feel.

Somehow I am sure and this I believe in
this is real.

From my heart I sing to you and I'm hoping
that you'll understand what I'm trying to say
You found a place inside of me and I'm grateful
for each day.

A broken wing can not stop me from flying
I leave no footprints when you're around.
Know yourself, you said, and you made me so proud of
what I've found.

Oh my god, I'm losing it
I'm finally going out of it
My senses tingle, I can hardly breathe

Oh my god, I'm losing it
I'm finally going out of it
I feel my heart, I'm suddenly alive

Thank you
Thank you for the world, the world, the world
Thank you for the life you're making me see

Am G/B C
Inside of me

The book is open now and the pen keeps on writing
the story of my life; it starts right here.

Now I reach the stars, can grab them and hold them
with no fear.

I am captivated, completely spellbound
I have found my match.

And the black bird has flown away
the black bird has left me for good.

Oh my god, I'm losing it
I'm finally going out of it
My senses tingle, I can hardly breathe

Oh my god, I'm losing it
I'm finally going out of it
I feel my heart, I'm suddenly alive
